BG-1 Invoice note / BG-2 Process control	BG-2	PROCESS CONTROL	1..1	Partial		(implicit)	ebInterface has no sub-profiles, so process control is implicit in the syntax + version.	Muss von außen mitgegeben werden.
BG-1 Invoice note / BG-2 Process control	BT-23	Business process type	0..1	Missing		—	No business-process context element.	
BG-1 Invoice note / BG-2 Process control	BT-24	Specification identifier	1..1	Partial		(implicit constant)	Not a gap.
